What excites and motivate you in life?	Focusing on my dreams, goals and successes.
What saddens you in life?	I try not to focus on things that induce sadness and prefer focusing on the positive, that being said I do however get affected by acts of women, child & animal abuse or neglect.
What character/personality do you have that you are most proud of	Loyal, loving, generous, outgoing and caring.
What dreams do you have for yourself?	To be the best i can be at all times in my life.
How would your best friend describe you?	Strong, independent, loyal and caring.
Who do you look up to in life and why?	My mother because despite all the hardships she has endured she is still the strongest and most accomplished person i know.
If you had more money than you needed, what would you do with it?	I would donate to many charities, travel the world, spoil my family, open up women, children & animal shelters all over the world, open up my own Italian restaurant, expand my business internationally and purchase my dream home.
If you could spend a day with anyone in the world (living or deceased) who would it be and why?	My father. He died when i was very young so I didn't know him very well. Spending a day getting to know him would be a blessing.
Why would you like to become an egg donor?	To help contribute to the happiness of helping a couple create a family of their own.
What message would you like to send the prospective parents?	I know many people who are unable to have children and I understand how hard it is. Every couple deserves the opportunity to have a family. I am here to contribute, albeit anonymously, to the happiness of having a family that you so rightfully deserve.
Have you donated before?	No
