PERSONALITY & CHARACTER

Do you have any special interest in sports, hobbies or organizations?	Not at this point in my life but i was very athletic when i was at school
What excites and motivate you in life?	My children. Seeing them grow up and turn into their own human beings with their own personalities but i still see the values that i taught them, it makes me excited for my future.
What saddens you in life?	I am really saddened by the way humanity has turned out. The way one human can take the next humans life blows my mind. Also, all the murder and rape! It makes me really sad.
What character/personality do you have that you are most proud of	I have a very strong personality and i do not allow myself to be taken advantage of. I am content with who i am but still grow as a person everyday
What dreams do you have for yourself?	I am starting with my National diploma in Humam Resource Management this year. I would like to become a HR mamager in about 3-4 years.
How would your best friend describe you?	Soft, beautiful heart, but extremely straight forward
Who do you look up to in life and why?	I don't look at to anyone. I believe in being the best you can be.
If you had more money than you needed, what would you do with it?	Invest
If you could spend a day with anyone in the world (living or deceased) who would it be and why?	My father. My mother paints the picture of him being a difficult individual. I would like to be granted the time to gather my own perception
Why would you like to become an egg donor?	I would like to assist a family in experiencing the crazy but also wonderful loving lifestyle of having kids

What message would you like to send the prospective parents?	When you do conceive, always be ready for anything and always trust your gut!
Have you donated before?	No
